planes upon a business basis, and picked out of a bashel of chaff. There is strikes boldly to cover the whole field such an enormous overflowing and explosion of operations. He proposes a "Nation of wild and crude themes and tional Immigration Company" for schemes, that a sensible and practical man the arrangement and development of despairs of any useful results, or even profitable interchanges of opinion. Shrews and observing men will, however, learn

There is even a more serious objection o these conventions in their bearing upon our city. New Orlones never had the least he greatest city in the Mississippi Valley and direct all their schemes, and pla ward the advancement of some seco hird-rate town. Indeed, it is ge are the trade of this city that finds mos favor and excites the greatest interes among the majority of such assembles. Should the Convention adjourn to this city, we trust that all selfish, narrow and sectional considerations will be thrust aside, and a broad, comprehensive policy adopted which will tend to establish a community of interest throughout the

whole Southwest. In these remarks we think the Times does not only the people of Memphis but of all the river towns a gross injustice. We do not remember a time WOODRUFF & CO when the deference due to the great Southern commercial capital was not willingly conceded throughout the Valley, in town as well as country; and we know that since, as before the war, every opportunity has been embraced to assist in maintaining the metropolitan status of and building up New Orleans. We hope the Times will take back its indiscreet expressions, espect cially in view of the fact that it invites Park Phætons. in the Crescent City the presence of the gentlemen whom it characterizes as engaged in some device to divert or injure its trade. We are sorry for the

FOR WAR.

The New York Tribune is in favor of war with Great Britain, because it would force non-intervention between the sale of Southern cotton to any but New England manufacturers, who characterisfic of Col. Chand M.E. must ment of the South and enrichment of be crowned with success. We hope the North. The true interests of the people of the South are to be promoted through peace. The Tribune is an old and persistent enemy of the Southwhich has completely captivated the implacable and bitter because her peo ple favor free trade. That's the milk in the coacoanut.
